Chapter 16 — Lab Safety and Practical Skills

No practice model paper is included for Chapter 16 because the entire unit “Lab Safety and Practical Skills” has been deleted under the PECTAA ALP Smart Syllabus for Academic Session 2026–27 / Annual Examination 2027. All MCQs, short questions, long questions and inquisitive questions from this unit are excluded. Students should not prepare this chapter for the 2027 board examination.
