Chapter 7 — Structural and Computational Biology

No practice model paper is included for Chapter 7 because the entire unit “Structural and Computational Biology” (textbook pp. 167–176) has been deleted under the PECTAA ALP Smart Syllabus for Academic Session 2026–27 / Annual Examination 2027. All MCQs, short questions, long questions and inquisitive questions from this unit are excluded. Students should not prepare this chapter for the 2027 board examination.
